

## Direct-Contact Baby Carrier For a stronger bond with your baby

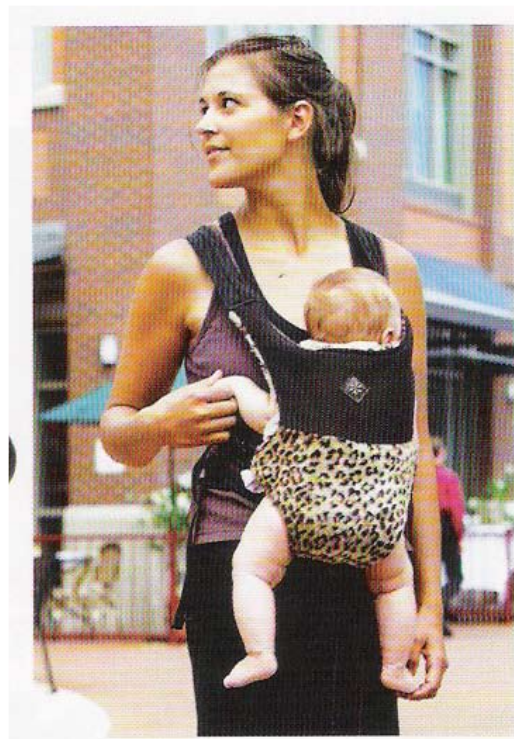

Belle Baby Carrier - Angels & Urchins - Europe Jan 2009

Made in USA

## Fantastic new carrier by Belle.

Effectively distributes your baby's weight to your hips!

ROAR!  
The new baby carriers from Jelly Bean are really cheeky. We cannot resist this fab cheetah design but it also comes in more traditional black and beige. The best thing is they transfer your baby's weight directly to your hips and not your back.

Suitable from 7-30 lbs, with baby facing either towards you or away.
