Belle Baby Carrier - Pregnancy - March 2009

Made in USA

Perfect for Dad

“It’s simple to put on, and take off, looks great and is slim enough to wear under a coat.”

Although it's beloved by hottie celeb moms like Nicole Kidman, the Belle Baby Carrier couldn't have a more manly profile. Invented by two dads who love the outdoors and engineer rock climbing gear, it's even made in rugged Colorado. What do we love? It's simple to put on and take off, looks great, and is slim enough to cover with a coat. ☺
